

Gamma Tau Chapter

April and March Newsletter

by Cole Baker on April 5,
2019

Welcome to the April edition of the Gamma Tau newsletter! Gamma Tau has had a busy March and April participating in socials and our sweetheart ball!

The brothers of Sigma Chi went on spring break and everyone returned safely. Some went to Michigan to snowboard, a few went to California, and a few stayed in Fargo to work and relax. No matter where we were we all had a blast.

Our sweetheart ball went off without a hitch and

Brinley Mathern was elected as our new sweetheart. We would like to thank Alumnus James Hand for providing the DJ equipment. Brother Reed Perteron received the Fullbright Scholarship grant for research. Matt Pavelchik won the Providence Belfor award, which is an undergraduate award given to the most accomplished senior in the providence. We are also about to embark on the brotherhood retreat in Detroit Lakes. With the semester rapping up we are gearing up for finals and internships. Below is a quick write up about Reed and his Fulbright grant.

Brother Reed Peterson applied, and won, a Fulbright student research grant recently. His research currently revolves around creating LED lights from silicon quantum dots, and he will continue research in this vein in his time abroad. He has chosen to study in India with Dr. Amlan Pal of the Indian Association for the Cultivation of Science in Kolkata, India. He is excited to have the cultural and research experience of being abroad and at another scientific institute. He will return to North Dakota State University after his Fulbright grant concludes to complete his Masters of Science.

That is all for this April Edition of the newsletter!

In Hoc

1934 Club

"The 1934 Club commemorates the year of Gamma Tau's founding. Club members give \$19.34 each month to the Gamma Tau House Corporation where they are directed to priorities that improve the Chapter House."

Dear friend of the Gamma Tau Chapter of Sigma Chi NDSU,

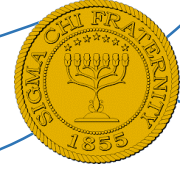

On behalf of the entire chapter, I would like to invite you to our annual Parent-Alumni Banquet! We host this event each year so that parents & alumni alike may come together and learn more about our fraternity, as well as strengthen the bond of the extended Sigma Chi community as a whole. The night's events will include a house tour, a series of speeches, a silent auction, and a dinner.

The main event will be held on Saturday, April 27th, at the McGovern Alumni Center in Fargo, ND. We will begin at our chapter house for house tours, and from there, we will move next door for the banquet & the rest of the night's events.

If you are able to attend, there will be a cover charge of \$30 for the banquet. Please **RSVP** your attendance and any +1s you would like to bring by going to tinyurl.com/ParentAlumni2019 & filling out the **RSVP** form located on that page, or by filling out and returning the included **RSVP** card by mail. We will be accepting **RSVPs** until April 21st. We genuinely hope that you can make it!

Sincerely,

Brookston Mathern, Consul

Dear friend of the Gamma Tau Chapter of Sigma Chi NDSU,
