

Gamma Tau Chapter

October Newsletter

by Logan Clark on October 16, 2018

Welcome to the October edition of our monthly newsletter! Brothers have just finished up midterms and have crossed the halfway mark for the semester!

Two weeks ago we held Derby Days, our annual fundraising event, and raised just short of \$1,000 which was donated to the Huntsman Cancer Foundation, which is one of the premier cancer research institutes in the country. Our two main events was an all you can eat crepe feed and a car smash with both taking place at the Sigma Chi house. The car smash event was organized by brother Jarrett Louwagie who was able to find two vehicles which were donated to us for free. Participants paid five dollars to smash a vehicle with a sledge hammer or axe and was a great way for students to get rid of stress before the midterms began the following week.

On October 13, the 3rd annual Alumni vs Active football game was held at Roosevelt Park. It was a hard fought battle by both teams but the Alumni won the official first game and took home the trophy. I will add that there was a second game played immediately after which the actives handily won. An alumni held a watch party at their home for everyone to watch the Bison football game afterwards and provided food and snacks for everyone which was very appreciated by the active members. We are looking forward to next years match up!

On October 25th the Fargo/Moorhead Alumni Sigma Chi chapter is having an outing at Fargo Billiards and Gastropub at 7 p.m and they encourage any alumni in the area to attend!

Initiation will take place this Saturday, October 20 at 8 a.m and will be located at the Sigma Chi house found at 1250 12th St N. We will be initiating six new brothers and would love to have as many alumni there as possible. Please be there by 7:45 a.m if you are able to attend.
